

How Will You Be Remembered?

Throughout our lives, we reflect on what we have achieved and what we are still hoping to accomplish in a way that aligns with our values and what we most believe in. Your support of The Princess Margaret shows your commitment to conquering cancer and changing lives of future generations.

You might wish you could do more to support the acceleration of cancer research to benefit patients for years to come, but you might also be concerned about making a commitment that will affect your financial security – or that of your loved ones.

Fortunately, there are many ways to build a lasting legacy that offer you the flexibility you need.

Gifts by Beneficiary Designation

You can name The Princess Margaret Cancer Foundation as a beneficiary of your retirement savings plan (RRSP), registered retirement income funds (RRIF), Tax-Free Savings Account (TFSA), mutual funds, life insurance or other financial account, and it's as easy as signing your name.
